Yellow gold - confirmed by Mario

REPORTED FINENESS

14K stamped yellow gold

REPORTED WEIGHT

22.80 g

INDEPENDENT REPORT

JS Appraisal / Jewellery Solution

REPORT REFERENCE

JS00268175

REPORT DATE

July 22, 2026

EARLIER WORKING REFERENCE

CVS-004 on the original concept sheet

## ARCHIVAL CONCEPT VIEWS

Original white-gold design direction. These are not photographs of the finished metal.

## REVISION RECORD

Reissued October 2026 - catalogue reference updated from CVS-004 to CVS-005.

Finished metal colour is owner-confirmed. Fineness and weight above are transcribed from the existing independent report visible in the supplied reveal film. This CVS+ sheet does not amend or replace that report. Original films and concept views remain part of the design history.
