ONTARIO REPRESENTATION FOR FINE JEWELLERY BRANDS

I help fine jewellery brands enter and grow in the Ontario market — without opening a store, hiring staff, or placing inventory on speculation. My floor, my clients, my promotion. You earn a new market; I earn on what sells.

THE TRACK RECORD

- 15 years in retail; fine jewellery sales specialist — bridal, custom design, natural diamonds
- Currently at Yang's Jewellery, Cambridge — 4.9 on Google with 1,200+ reviews; dozens name me personally (documentation available on request)
- Founder and designer of CREATIV VS+ by MR, a custom fine jewellery studio
- Grassroots promotion team active across the Greater Toronto Area — proven zero-media-cost event campaigns

HOW WE CAN WORK — NO INVENTORY RISK TO YOUR BRAND

- **Commission Representation —** I present and sell your line to my clientele and network on a commission basis. You fulfill; I earn when it moves.
- **Consignment Capsule —** A curated selection placed with me for a defined period. Full price integrity, careful insured handling, and you keep ownership until the moment of sale.
- **Trunk Show / Pop-Up Event —** A hosted selling event built around your brand and promoted by my team across the GTA — the fastest way to test Ontario demand.

WHY ONTARIO

Ontario is Canada's largest fine jewellery market — and brands without a Canadian door are invisible to it. I'm offering the door.
